FUTURE PACKS & FUTURE ENTERPRISES

Established in the year 2008. we 'Future Enterprises' are listed amidst the reputed supplier, importer and exported of Paper Products Forming Machine, Face Mask Making Machine and Non-woven bag making machine etc. A sole proprietorship firm. We have been successful in marking a strong foothold in the entire domestic market. With the help of our team members, we able to provide the clients with and extensive range of Paper cup forming machine, Paper plate forming machine, Paper straw making machine, Paper carton erecting machine, paper bag making machine, Wooden die cutting & Creasing machine.

All our machines are manufactured with the use of quality assured base material source from reputed and authorised market vendors. We also utilized advance technology and latest tool and equipments to ensure durable finishing of each machine. available in different technical specification, these machines are used in various industries to cater to diverse applications. Furthermore, our machines are favored for their minimum maintenance, longer functional and high production capacity

Our prime focus is on eco friendly machineries that make environment friendly products with spotlights over machineries for Paper & Paper products and non-woven fabrics.

Our expertise over market whereabouts makes us pitch the right machinery at competitive price that reduces burden of our clients to provide low priced manufactured products.

We import machineries from various parts of the world and deliver the best to our client satisfaction up to installation of the machineries and thereafter.

Our skilled technicians and mechanics provide perceptual backing support to our customers, which have been our strength from our inception.

We provide genuine products at are compatible and accordant event to existing machineries, which eventually reduces spare dependencies.

FP-75 EPE Fruit Net Foam Making Machine

Model	FP-75
Screw Diameter	75mm
Screw L/D	55:1
Screw Material	38CrMoALA
Barrel Outside Diameter	140mm
Foam Net Size	20-40Mesh
Output	20-40kg/h
Drive Type	Frequency Converter Motor
Speed Regulation	Transducer of famous brand
Drive Power	15Kw
Transmission Type	Hard-surface gear box
Cooling Type	By water or by air
Heating Power	20Kw
Heating Type	Cast Aluminium Heater
Power Supply	380v/50Hz

FP-75 EPE Fruit Net Foam Making Machine

Pumping Device	Plunger Metering Pump (25L)
Pumping Type	High-pressure pumping
Pumping Pressure	10-30Mpa
Driving Power	1.1kw

Pumping Device	Plunger Metering Pump
Pumping Type	High-pressure pumping
Pumping Pressure	10-30Mpa
Driving Type	Motor
Driving Power	0.75kw

Extruding Head	Highs-speed rotating die, Power : 3KW, frequency control timing
Heating Type	Stainless steel heating ring
Cooling Type	Wind cooling
Die	2pcs, customized

PERFECT AFTER SALES & SERVICE

Our company provide an excellent technician team for after sale service. which serve for each client. For new clients we will arrange professional technician to install and adjust the machine, as well as train the operators to run, adjust and maintain, until you can make perfect products.
